Parent Coaching provides parents with simple tips to implement positive parenting. Parent coaching does not tell you 'how to be a parent', instead it provides strategies to help make your family life more enjoyable.

We provide a range of programs including:

- Triple P - Positive Parenting Program
- Circle of Security Parenting
- Bringing Up Great Kids
- Parent support, information and referrals

We offer **FREE**, individual or group sessions for parents and carers of children aged 0 – 12.
